CHANGE

WE NEEDED

2/3rds of Change is "hang".

Our Founding Fathers hanged traitors. We forgot how effective it was for the cause of freedom. We need to hang 2/3rds of todays controllers in public which is 66.6% and clip out the evil that infects us.

Pass this idea around!
Lets do it for posterity!

This document was published on March 20th, 2013 - days in advance of the 22nd, 3/22, Skull & Bones date

Two scenarios come to mind when thinking of the 33rd anniversary of the erection of the New World Order inspired Georgia Guidestones. (see Georgia Guidestone graphics above to verify 3/22/1980 as the date on the Guidestones itself.) 3/22/1980 + 33 psycho-degrees/years becomes 3/22/2013.

I) An Iranian "character" is impersonated by Israel, scripted to be caught as the assassin of Barack Obama when he is conveniently in Israel on this special date. (Any assassination would be faked, with a subsequent fake Obama body and burial.) Such to be blamed on Iran for and excuse for US and Israel to make open full scale war with Iran; with enough blinded public support – such as the faked 9/11 event gained the support of the fooled masses for an endlessly abusive ongoing war on terror.

II) Korean communist freemasonic brotherhood members controlling North Korea would collude with the globalists and attack South Korea on 3/22, also triggering a next world war scenario.

Note: the globalists would think that they are doing it for biblical reasons if triggered on 3/22 as 3/22/2013 is exactly 1260 days (42 months) to the day of Barack Obama strangely given the Nobel Peace Prize on Oct 9th, 2009. Revelation 13:5 says antichrist given authority for precisely 42 months.

NUTS, eh? Well, not so much if a world war triggering event is already scripted to occur while the anti-christ-like Obama is in Israel (also prophecy) as this document may prove, 1260 days (Daniel/ Revelation) after given Peace Prize (comes in the name of Peace – prophecy) on a commy freemasonic anniversary of the Georgia Guidestones that calls for a 92% reduction of the global population!

Would you study the rest of the facts presented in the booklet if this precision prediction comes true? Little did you really know, eh? I don't blame you – it is PSYCHO NUTS! All of it! So tell God it is Nuts!

THE GEORGIA GUIDESTONES

The story of the Georgia Guidestones began in June 1979, when a stranger identified as "Mr. Christian" (later "R. C. Christian") visited Joe H. Fendley, Sr., President of Elberton Granite Finishing Company, Inc., and indicated that he represented a group of loyal Americans living outside the state of Georgia who wanted to build a monument focused on the theme of conservation. "Mr. Christian," who had assumed this pseudonym because he was a Christian, named Wyatt C. Martin, President of the Granite City Bank, as intermediary to hold funds in escrow for the project, explaining that the Guidestones Group, which wished to remain anonymous forever, had selected Georgia because of its excellent granite, mild climate, and the heritage of his great-grandmother as a native Georgian. "Christian" agreed to Martin's request to locate the monument in Elbert County if there were a

suitable remote site for it, which they found on a hillside that is the highest point in Elbert County, on the farm of Mildred and Wayne Mullenix north of Elberton on Highway 77. Fendley's company carved the six-part monument from Pyramid Blue Granite. The Georgia Guidestones consist of four granite megaliths set in a paddlewheel arrangement around a central stone, which is surmounted by a flat capstone. Measuring 19 1/4 feet in height at the highest peak, the stone group measures 17 1/3 feet in width; and its diameter is 65 feet. The overall weight of the 951 cubic feet of granite used is 237,746 pounds. A ground marker west of the Guidestones provides additional data and covers a buried time capsule. Each of the four sides of the capstone features the statement of cautionary guidance to humankind translated into Babylonian Cuneiform, Classical Greek, Sanskrit, and Egyptian Hieroglyphics, to "Let These Be Guidestones To Reason." Below, the guidelines are carved into the eight faces of the four outer stones in English, Spanish, Swahili, Hindi, Hebrew, Arabic, Chinese, and Russian. In English, the guidelines specify the following:

92% of us to be killed

In addition to these conservation messages, the monument displays a number of astronomical features. The Georgia Guidestones monument, which is owned by Elbert County, was dedicated March 22, 1980, and since that time has attracted a number of visitors and those who learn of it from afar.

An illusion it will be, so large, so vast, it will escape perception by most. Those who will see it will be painted with a wide brush by the media and thought of as insane. We are history's actors! We will act out and maintain separate fronts to prevent them from seeing the connection between us.

We will behave as if we are not participating in this agenda to enslave the populations overall, to keep the illusion alive.

Our goal will be accomplished slowly and incrementally one step at a time so as to never bring suspicion upon our selves.

We will work together always and will remain bound by greed, blood, freemasonry, dark oaths, brotherhood, and secrecy.

Death will come to those and their family who betray the order.

We will keep the population's lifespan short and their minds weak; pretending to do the opposite and bring them to war.

We will use our knowledge of psychology, science, and technology in subtle ways so they will never grasp what has happening to them over the decades.

We will use soft metals, aging accelerators and sedatives in food and water; also in the air.

They will be blanketed by poisons and toxins everywhere they go. Yes, for the sake of the plan, we will also breath the toxins but we should avoid to drink their fluoridated tap water.

We will promise to search for cures, but we won't cure them; only chemically treating their conditions, feeding them poisons.

The poisons will be absorbed through their skin and mouths; they will destroy their minds and reproductive systems.

From all this, their children will be born damaged, and we will conceal this information.

We will approve these industrial chemicals as safe. The poisons will be hidden in everything that surrounds them, in what they drink, eat, breathe and wear.

We must be ingenious in dispensing the poisons for they can see far.

We will teach them that the poisons are good, with fun images and musical tones.

We won't protect them, but they will always look up to us for answers. We will enlist them to push our poisons.

They will see the toxins being used in film and will grow accustomed to them and will never know their true effect. They won't be able to escape from them at the grocery store.

When they give birth we will inject poisons into the blood of their children and convince them it's for their help.

**BABY
SHOTS**

We will start early on, when their minds are young, we will target their children with what children love most, sweet things.

When their teeth decay we will fill them with mercury and other metals that will damage their minds and steal their future.

When their ability to learn has been affected, we will create medicine that will make them sicker and cause other diseases for which we will create yet more medicine.

We will render them docile and weak before us by our power.
They will grow depressed, slow and obese, and when they come to us for help, we will give them more poison.

We will focus their attention toward money and material goods so they may never connect with their inner self.

We will distract them with fornication, external pleasures and games so they may never be united and strong.

Their minds will belong to us and they will do as we say.

If they refuse we shall find ways to implement mind-altering technology into their lives.

We will use fear as our weapon.

We will establish their governments and establish virtual opposites within.

We will act on and own both sides.

**Look... More Fools that
think there is a difference
between Democrats and
Republicans.**

We will always hide our objective but carry out our plan.

They will perform the labor for us and we shall prosper from their toil.

Our families will seldom mix with theirs.

Our bloodlines must be pure, we must strive to remain obedient to ourselves.

We will make them kill each other when it suits us.

We will keep them separated from the freedom and unity by dogma and religion.

We will control all aspects of their lives and tell them what to think and how.

We will guide them kindly and gently letting them think they are guiding themselves.

We will foment animosity between them through our factions.

When a light shall shine among them, we shall extinguish it by ridicule, or death, whichever suits us best.

We will make them rip each other's hearts apart and kill their own children.

We will accomplish this by using hate as our ally, anger as our friend.

The hate will blind them totally, and never shall they see that from their conflicts we emerge as their rulers.

They will be busy killing each other.

They will bathe in their own blood and kill their neighbors for as long as we see fit.

We will benefit greatly from this, for they will not see us, for they cannot see us.

We will continue to prosper from their wars and their deaths.

We shall repeat this over and over until our ultimate goal is accomplished.

We will continue to make them live in fear and anger though images and sounds.

We will use all the tools we have to accomplish this including state-sponsored terror that we orchestrate before their eyes.

The tools will be provided by their labor.

We will make them hate themselves and their neighbors.

They must always think they are not equal.

Step by step, hour by hour, drop by drop we will advance our goal.

We will take over their land, resources and wealth to exercise total control over over taxation and imprison all of them.

We will deceive them into accepting laws that will steal the little freedom they will have.

We will establish a money system that will imprison them forever, keeping them and their children in debt.

When they shall band together, we shall accuse them of crimes and present a different story to the world for we shall own all the media.

We will use our media to control the flow of information and their sentiment in our favor.

There are so many useful idiots willing to abuse their fellows for their paychecks. We will empty them. They will enjoy their petty power over others not uniforms.

When they shall rise up against us we will crush them like insects, for they are less than that as they are a bigger potential threat to us.

The experts agree ...

Hitler	Castro	Qaddafi	Stalin
Idi Amin	Mao Tse-tung 毛沢東	Pol Pot	Kim Jong-il 金正日

Gun control works!

They will be helpless to do anything for they will have no weapons.

We will recruit some of their own to carry out our plans.
The recruits will be called “initiates” and will be indoctrinated to believe false rites of passage to higher realms.

Members of these groups will think they are with us.

The truth will be hidden in their face, so close they will not be able to focus on it until its too late.

Oh yes, so grand the illusion of freedom will be, that they will never know they are our slaves.

When all is in place, the reality we will have created for them will own them.

This reality will be their prison.

They will proudly live in self-delusion.

When our goal of global governance is accomplished a new era of our dominance will begin.

Their minds will be bound by their beliefs, the beliefs we have established from time immemorial.

But if they ever find out we cultured them in who they are and that they actually are equal, our control of them shall perish.

David Rockefeller.

THIS THEY MUST NEVER KNOW.

If they ever find out that together they can vanquish us, they might educate their children quickly and take action.

They must never, ever find out all that we have done, for if they do, we shall have no place to run, for it will be easy to see who we are once the veil has fallen.

Our actions will have revealed who we are and they will hunt us down and hang us one by one or all together and take our fortunes.

This is the secret covenant by which we shall live the rest of our present and future lives, for this reality will transcend many generations and life spans.

This covenant is sealed by our heritage and our blood.

We must never let think how good they could have it if we weren't preying on them all the time! We must never give them our secret levitation technologies, inehaustible free energy secrets, and life extension discoveries! Kill all who attempt to leak our many secrets! The must NEVER know and never have these powers in their own hands! NEVER! They must especially not learn how to prevent or cure cancer! They would be that much stronger! Instead we must maintain the many illusions and control we have cast upon them worldwide!

Our Fellow Human Beings

We Need To Free Each Other
From the New World Order

A fellow highly informed American is writing this to you. There are some among us who may still believe there is nothing going wrong -- that incremental states of corruption, abuse, warfare, and enslavement are just normal -- but those are types of people who couldn't state and detail the differences between the US Constitution and the Marxist Communist Manifesto. You, like the rest of us scattered across the countryside and the world around, are reading this because you already know something has gone very wrong in America and other places. Or perhaps it was emailed to you by a friend who feels that way, and you are just curious or starting to get concerned. Perhaps tyranny has already painfully fined, hurt, diseased, damaged, imprisoned, stolen, disappeared, or murdered a member of your family, home, or circle of friends.

This PDF booklet was limited to under 10 megabytes in size, so it may be shared fast and easily through email and memory cards; although it could have been encyclopedic: a terabyte out of out-of-control political, banking, wall street and corporate corruption. Only a few of us would like to read that much anyways. Effort has been made to compile this with the most brevity without diminishing clarity or criticality.

This particular booklet is a bit advanced, in terms of its focus on a solution to the current mess. The thousands of informative books and hundreds of eye-opening films that have been made in the past decades about the now rapid formation of the global governance plan, publicly stated as the 'new world order', have focused primarily on the crimes and gross quantities of evidence of the intrigue of the extremely wealthy and their subordinates; who have been identified as history's controllers, puppeteers, actors, and actresses. You are already intimately familiar with many of these personages; especially the very visible ones associated with the large corporate news media and hollywood. It is their job to give entertainment the highest priority and make everything seem normal.

The solution, most simply, is that We, the billions of common people worldwide, have a deep need to soon become the masters of our future and own fate; needing to change the way we have looked at history up to the year 2012. Then re-look at the way we are currently being laughed at, manipulated, controlled, bankrupted, weakened, poisoned, soft-killed, viciously killed; with the survivors among us becoming ever more enslaved.

Finally we need to imprison the many thousand assorted tyrants of our time and shake off all the former economic, mental, and physical shackles. Then build the -best- world for each other and ourselves and our next generation that we can imagine and build.

This book will provide some core ideas for increased capability, independence, freedom, and prosperity for all of us. How much we share and endorse this new way of looking back and thinking will determine our success at being who we are, fellow human beings.

And how can we really do this? First we need to recruit all the militaries around the world to our side.

MAKE COPIES!
FOR FRIENDS!

What do you want the coming "world government" to be like? Governments, controlled mostly by a global finance aristocracy, have killed more than 250 million so far already.

"THE MEMORY CARD SHARED PEOPLE'S SURVIVAL

BOOK AGAINST 2012' S WORLD ORDER FASCISM AND AGENDA 21"

Share this booklet out like you would share slices with others if your pizza was endless.

In fact, once the criminal system is reformatted we can all organize a big pizza party on a new holiday. So consider this your invitation to join with the global pizza party., that is if we can make it happen.

"Agenda 21", as it is known, is not only a reduction of your country's sovereignty but also your sovereignty over your own body and basic natural rights, and also robs your authority over your children's body's and mind's. It is a world government plan to manage and take over your lives like a zoo takes over animals lives. Please research it.

The People of the world are waking up to the fact that the existing "system" has been and is still being managed behind scenes of governments and the media by a global criminal generational mafia of about 5-7 thousand rich and powerful 'elites'.

We The People all around need to become the media. We cannot trust the corporate propaganda engines who report to these 'elites'.

We don't need to worry about being tracked and traced for delivering and receiving information if we are careful or if we all act together at once; while protecting each other.

We can utilize the internet too, however

We can utilize the billions of memory cards that most all of us already own. And almost everyone in the world has access to a computer, or will in the near future.

It is easy to copy a file, such as a book in PDF format, or an audio recording, or a whole folder of items, using two memory cards, or even two cell phones, and a laptop. Invent new bridge devices.

With memory card technology, We the People have the capability of running local internets ourselves, simply by passing gigabytes of information to others, by hand, to friends and neighbors.

If we can all get on the same page, and define as a group what kind of *world government conditions and rules* we will enjoy having over our heads, we can do amazing things together. In truth, we really don't need to be governed or told what to do, rather we need to be protected and serviced by a benevolent system.

For starters, every 18+ year old around the world should soon have this booklet, mostly delivered through the People's Internet. And most every adult should purchase a gun or learn how to use an alternative defense to protect ourselves and our families.

How Many Constitutional Freedoms Do We Still Have?

Preface: While a lot of people talk about the loss of our Constitutional liberties, people usually speak in a vague, generalized manner ... or focus on only one issue and ignore the rest.

This post explains the liberties guaranteed in the Bill of Rights – the first 10 amendments to the United States Constitution – and provides a scorecard on the extent of the loss of each right.

First Amendment

The 1st Amendment protects speech, religion, assembly and the press:

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

However, the government is [arresting those speaking out](#) ... and [violently crushing peaceful assemblies which attempt to petition the government for redress](#).

A federal judge found that the law allowing indefinite detention of Americans without due process has a “chilling effect” on free speech. And see [this](#) and [this](#).

The [threat of being labeled a terrorist for exercising our First Amendment rights](#) certainly violates the First Amendment. The government is [using laws to crush dissent](#), and it’s gotten so bad that even [U.S. Supreme Court justices are saying](#) that we are descending into tyranny.

For example, the following actions may get an American citizen living on U.S. soil labeled as a “suspected terrorist” today:

- [Being young](#) (if you live near a battle zone, you are [fair game](#); and [see this](#))
- [Using social media](#)
- [Reporting or doing journalism](#)
- [Speaking out against government policies](#)
- [Protesting anything](#) (such as participating in the “[Occupy](#)” movement)
- [Questioning war](#) (even though [war reduces our national security](#); and see [this](#))
- [Criticizing the government’s targeting of innocent civilians with drones](#) (although killing innocent civilians with drones is one of the main things which [increases terrorism](#). And see [this](#))
- [Asking questions about pollution](#) (even at a [public Congressional hearing](#)?)
- [Paying cash at an Internet cafe](#)
- [Asking questions about Wall Street shenanigans](#)
- [Holding gold](#)
- [Creating alternative currencies](#)
- [Stocking up on more than 7 days of food](#) (even though all [Mormons are taught to stockpile food](#), and most [Hawaiians store up on extra food](#))
- [Having bumper stickers saying things like “Know Your Rights Or Lose Them”](#)

- [Investigating factory farming](#)
- [Infringing a copyright](#)
- [Taking pictures or videos](#)
- [Talking to police officers](#)
- [Wearing a hoodie](#)
- [Driving a van](#)
- [Writing on a piece of paper](#)
- [\(Not having a Facebook account](#) may soon be added)

And holding the following beliefs may also be considered grounds for suspected terrorism:

- [Being frustrated with “mainstream ideologies”](#)
- [Valuing online privacy](#)
- [Supporting Ron Paul or being a libertarian](#)
- Liking [the Founding Fathers](#)
- Being a [Christian](#)
- Being [anti-tax, anti-regulation or for the gold standard](#)
- Being [“reverent of individual liberty”](#)
- Being [“anti-nuclear”](#)
- [“Believe in conspiracy theories”](#)
- [“A belief that one’s personal and/or national “way of life” is under attack”](#)
- [“Impose strict religious tenets or laws on society \(fundamentalists\)”](#)
- [“Insert religion into the political sphere”](#)
- [“Those who seek to politicize religion”](#)
- [“Supported political movements for autonomy”](#)
- Being [“anti-abortion”](#)
- Being [“anti-Catholic”](#)
- Being [“anti-global”](#)
- [“Suspicious of centralized federal authority”](#)
- [“Fiercely nationalistic \(as opposed to universal and international in orientation\)”](#)
- [“A belief in the need to be prepared for an attack either by participating in ... survivalism”](#)
- [Opposing genetically engineered food](#)
- [Opposing surveillance](#)

Of course, [Muslims](#) are more or less subject to a separate system of justice in America.

And 1st Amendment rights are especially chilled when power has become so concentrated that [the same agency](#) which spies on all Americans *also decides* who should be assassinated.

Second Amendment

The 2nd Amendment states:

A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.

Gun control and gun rights advocates obviously have very different views about whether guns are a force for violence or for good.

But even a top liberal Constitutional law expert reluctantly admits that the right to own a gun is [as important a Constitutional right as freedom of speech or religion](#):

Like many academics, I was happy to blissfully ignore the Second Amendment. It did not fit neatly into my socially liberal agenda.

It is hard to read the Second Amendment and not honestly conclude that the Framers intended gun ownership to be an individual right. It is true that the amendment begins with a reference to militias: "A well regulated militia, being necessary to the security of a free state, the right of the people to keep and bear arms, shall not be infringed." Accordingly, it is argued, this amendment protects the right of the militia to bear arms, not the individual.

Yet, if true, the Second Amendment would be effectively declared a defunct provision. The National Guard is not a true militia in the sense of the Second Amendment and, since the District and others believe governments can ban guns entirely, the Second Amendment would be read out of existence.

More important, **the mere reference to a purpose of the Second Amendment does not alter the fact that an individual right is created. The right of the people to keep and bear arms is stated in the same way as the right to free speech or free press.** The statement of a purpose was intended to reaffirm the power of the states and the people against the central government. At the time, many feared the federal government and its national army. **Gun ownership was viewed as a deterrent against abuse by the government, which would be less likely to mess with a well-armed populace.**

Considering the Framers and their own traditions of hunting and self-defense, **it is clear that they would have viewed such ownership as an individual right — consistent with the plain meaning of the amendment.**

None of this is easy for someone raised to believe that the Second Amendment was the dividing line between the enlightenment and the dark ages of American culture. Yet, it is time to honestly reconsider this amendment and admit that ... here's the really hard part ... the [NRA](#) may have been right. This does not mean that Charlton Heston is the new Rosa Parks or that no restrictions can be placed on gun ownership. But it does appear

that gun ownership was made a protected right by the Framers and, while we might not celebrate it, it is time that we recognize it.

The gun control debate – including which weapons and magazines are banned – is still in flux ...

Third Amendment

The 3rd Amendment prohibits the government forcing people to house soldiers:

No Soldier shall, in time of peace be quartered in any house, without the consent of the Owner, nor in time of war, but in a manner to be prescribed by law.

Hey ... we're still honoring one of the Amendments! Score one for We the People!

Painting by Anthony Freda: www.AnthonyFreda.com.

Fourth Amendment

The 4th Amendment prevents unlawful search and seizure:

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by Oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

But the government is [flying drones over the American homeland](#) to [spy on us](#).

Senator Rand Paul [correctly notes](#):

The domestic use of drones to spy on Americans clearly violates the Fourth Amendment and limits our rights to personal privacy.

Paul [introduced a bill](#) to “protect individual privacy against unwarranted governmental intrusion through the use of unmanned aerial vehicles commonly called drones.”

Emptywheel [notes](#) in a post entitled “The OTHER Assault on the Fourth Amendment in the NDAA? Drones at Your Airport?”:

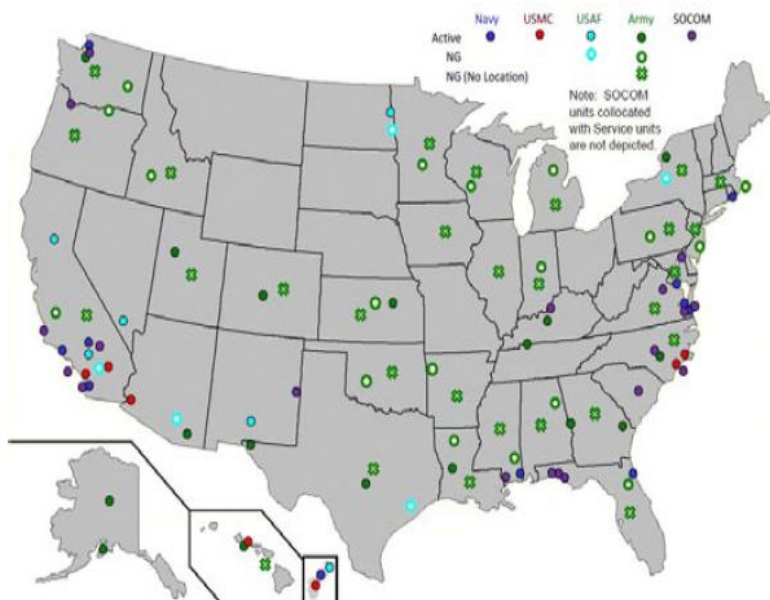

Figure 2: Planned DoD 2015 UAS Locations

As the map above makes clear—taken from [this 2010 report](#)—DOD [the Department of Defense] plans to have drones all over the country by 2015.

Many police departments are also using drones to spy on us. As the Hill [reported](#):

At least 13 state and local police agencies around the country have used drones in the field or in training, according to the Association for Unmanned Vehicle Systems International, an industry trade group. The Federal Aviation Administration has predicted that by the end of the decade, 30,000 commercial and government drones could be flying over U.S. skies.

“Drones should only be used if subject to a powerful framework that regulates their use in order to avoid abuse and invasions of privacy,” Chris Calabrese, a legislative counsel for the American Civil Liberties Union, said during a congressional forum in Texas last month.

He argued police should only fly drones over private property if they have a warrant, information collected with drones should be promptly destroyed when it’s no longer needed and domestic drones should not carry any weapons.

He argued that drones pose a more serious threat to privacy than helicopters because they are cheaper to use and can hover in the sky for longer periods of time.

A congressional report earlier this year predicted that drones could soon be equipped with technologies to identify faces or track people based on their height, age, gender and skin color.

Even without drones, Americans are the [most spied on people in world](#) history:

The American government is collecting and storing virtually every [phone call](#), [purchases](#), [email](#), [text message](#), [internet searches](#), [social media communications](#), [health information](#), [employment history](#), [travel and student records](#), and virtually all other information of every American. [And see [this](#).]

Some also claim that the government is also using facial recognition software and surveillance cameras to [track where everyone is going](#). Moreover, cell towers [track where your phone is](#) at any moment, and the major cell carriers, including Verizon and AT&T, responded to [at least 1.3 million law enforcement requests](#) for cell phone locations and other data in 2011. (And – given that your [smartphone routinely sends your location information](#) back to Apple or Google – it would be child’s play for the government to track your location that way.) Your [iPhone](#), or [other brand of smartphone](#) is spying on [virtually everything you do](#) (ProPublica notes: “[That’s No Phone. That’s My Tracker](#)”).

As the top spy chief at the U.S. National Security Agency [explained](#) this week, the American government is collecting some 100 billion 1,000-character emails per day, and 20 trillion communications of all types per year.

He says that the government has collected all of the communications of congressional leaders, generals and everyone else in the U.S. for the last 10 years.

He further explains that he set up the NSA’s system so that all of the information would automatically be encrypted, so that the government had to obtain a search warrant based upon probable cause before a particular suspect’s communications could be decrypted. [He

specifically did this to comply with the Fourth Amendment's prohibition against unreasonable search and seizure.] But the NSA now collects all data in an unencrypted form, so that no probable cause is needed to view any citizen's information. He says that it is actually cheaper and easier to store the data in an encrypted format: so the government's current system is being done for political – not practical – purposes.

He says that if anyone gets on the government's "enemies list", then the stored information will be used to target them. Specifically, he notes that if the government decides it doesn't like someone, it analyzes all of the data it has collected on that person and his or her associates over the last 10 years to build a case against him.

Wired [reports](#):

Transit authorities in cities across the country are quietly installing microphone-enabled surveillance systems on public buses that would give them the ability to record and store private conversations....

The systems are being installed in San Francisco, Baltimore, and other cities with funding from the Department of Homeland Security in some cases

The IP audio-video systems can be [accessed remotely via a built-in web server](#) (.pdf), and can be combined with GPS data to track the movement of buses and passengers throughout the city.

The systems use cables or WiFi to **pair audio conversations with camera images in order to produce synchronous recordings. Audio and video can be monitored in real-time**, but are also stored onboard in blackbox-like devices, generally for 30 days, for later retrieval. Four to six cameras with mics are generally installed throughout a bus, including one near the driver and one on the exterior of the bus.

Privacy and security expert Ashkan Soltani told the Daily that the audio could easily be coupled with facial recognition systems or audio recognition technology to identify passengers caught on the recordings.

RT [notes](#):

Street lights that can spy installed in some American cities

America welcomes a new brand of smart street lightning systems: energy-efficient, long-lasting, complete with LED screens to show ads. They can also spy on citizens in a way George Orwell would not have imagined in his worst nightmare.

With a price tag of \$3,000+ apiece, according to an ABC report, the street lights are now being rolled out in Detroit, Chicago and Pittsburgh, and may soon mushroom all across the country.

Part of the Intellistreet systems made by the company Illuminating Concepts, they have a number of **"homeland security applications" attached.**

Each has a microprocessor "essentially similar to an iPhone," capable of [wireless](#) communication. Each can capture images and count people for the police through a digital camera, record conversations of passers-by and even give voice commands thanks to a built-in speaker.

Ron Harwood, president and founder of Illuminating Concepts, says he eyed the creation of such a system after the 9/11 terrorist attacks and the Hurricane Katrina disaster. He is **"working with Homeland Security" to deliver his dream of making people "more informed and safer."**

Fox news notes that the government is [insisting that "black boxes" be installed in cars](#) to track your location.

The TSA has moved way past airports, trains and sports stadiums, and is [deploying mobile scanners](#) to spy on people all over the place. This means that traveling within the United States is [no longer a private affair](#). (And they're probably bluffing, but the Department of Homeland Security claims they will soon be able to know your adrenaline level, what you ate for breakfast and what you're thinking ... [from 164 feet away](#).)

And Verizon has applied for a patent that would allow your television to [track what you are doing, who you are with, what objects you're holding, and what type of mood you're in](#). Given Verizon and other major carriers responded to [at least 1.3 million law enforcement requests](#) for cell phone locations and other data in 2011, such information would not be kept private. (And some folks could be spying on you through your tv using [existing technology](#).)

Of course, widespread spying on Americans began [before 9/11](#) (confirmed [here](#) and [here](#). And see [this](#)). So the whole "post-9/11 reality" argument falls flat.

And the spying [isn't being done to keep us safe ... but to crush dissent](#) and to [smear people](#) who uncover unflattering this about the government ... and to [help the too big to fail businesses compete against smaller businesses](#) (and [here](#)).

In addition, the ACLU [published](#) a map in 2006 showing that nearly two-thirds of the American public – 197.4 million people – live within a "constitution-free zone" within 100 miles of land and coastal borders:

The ACLU [explained](#):

- Normally under the Fourth Amendment of the U.S. Constitution, the American people are not generally subject to random and arbitrary stops and searches.
- The border, however, has always been an exception. There, the longstanding view is that the normal rules do not apply. For example the authorities do not need a warrant or probable cause to conduct a “routine search.”
- But what is “the border”? According to the government, it is a 100-mile wide strip that wraps around the “external boundary” of the United States.
- As a result of this claimed authority, individuals who are far away from the border, American citizens traveling from one place in America to another, are being stopped and harassed in ways that our Constitution does not permit.
- Border Patrol has been setting up checkpoints inland — on highways in states such as California, Texas and Arizona, and at ferry terminals in Washington State. Typically, the agents ask drivers and passengers about their citizenship. Unfortunately, our courts so far have permitted these kinds of checkpoints – legally speaking, they are “administrative” stops that are permitted only for the specific purpose of protecting the nation’s borders. They cannot become general drug-search or other law enforcement efforts.

- However, these stops by Border Patrol agents are not remaining confined to that border security purpose. On the roads of California and elsewhere in the nation – places far removed from the actual border – agents are stopping, interrogating, and searching Americans on an everyday basis with absolutely no suspicion of wrongdoing.
- The bottom line is that the extraordinary authorities that the government possesses at the border are spilling into regular American streets.

Computer World [reports](#) today:

Border agents don’t need probable cause and they don’t need a stinking warrant since they don’t need to prove any reasonable suspicion first. Nor, sadly, do two out of three people have First Amendment protection; it is as if DHS has voided those Constitutional amendments and protections they provide to nearly 200 million Americans.

Don’t be silly by thinking this means only if you are physically trying to cross the international border. As we saw when discussing the DEA using license plate readers and data-mining to [track Americans movements](#), the U.S. “border” stretches out 100 miles beyond the true border. Godfather Politics [added](#):

But wait, it gets even better! If you live anywhere in Connecticut, Delaware, Florida, Hawaii, Maine, Massachusetts, Michigan, New Hampshire, New Jersey or Rhode Island, DHS says the search zones encompass the entire state.

Immigrations and Customs Enforcement (ICE) and Customs and Border Protection (CBP) have a “longstanding constitutional and statutory authority permitting suspicionless and warrantless searches of merchandise at the border and its functional equivalent.” This applies to electronic devices, according to the recent CLCR “Border Searches of Electronic Devices” executive summary [\[PDF\]](#):

Fourth Amendment

The overall authority to conduct border searches without suspicion or warrant is clear and longstanding, and courts have not treated searches of electronic devices any differently than searches of other objects. We conclude that CBP’s and ICE’s current border search policies comply with the Fourth Amendment. We also conclude that imposing a requirement that officers have reasonable suspicion in order to conduct a border search of an electronic device would be operationally harmful without concomitant civil rights/civil liberties benefits. However, we do think that recording more information about why searches are performed would help managers and leadership supervise the use of border search authority, and this is what we recommended; CBP has agreed and has implemented this change beginning in FY2012.

First Amendment

Some critics argue that a heightened level of suspicion should be required before officers search laptop computers in order to avoid chilling First

Amendment rights. However, we conclude that the laptop border searches allowed under the ICE and CBP Directives do not violate travelers' First Amendment rights.

The ACLU said, Wait one darn minute! Hello, what happened to the Constitution? Where is the rest of CLCR report on the "policy of combing through and sometimes confiscating travelers' laptops, cell phones, and other electronic devices—even when there is no suspicion of wrongdoing?" DHS maintains it is not violating our constitutional rights, so the [ACLU said](#):

If it's true that our rights are safe and that DHS is doing all the things it needs to do to safeguard them, then why won't it show us the results of its assessment? And why would it be legitimate to keep a report about the impact of a policy on the public's rights hidden from the very public being affected?

As [ChristianPost wrote](#), "Your constitutional rights have been repealed in ten states. No, this isn't a joke. It is not exaggeration or hyperbole. If you are in ten states in the United States, your some of your rights guaranteed by the Bill of Rights have been made null and void."

The [ACLU filed](#) a Freedom of Information Act request for the entire DHS report about suspicionless and warrantless "border" searches of electronic devices. ACLU attorney Catherine Crump said "We hope to establish that the Department of Homeland Security can't simply assert that its practices are legitimate without showing us the evidence, and to make it clear that the government's own analyses of how our fundamental rights apply to new technologies should be openly accessible to the public for review and debate."

Meanwhile, the EFF has [tips](#) to protect yourself and your devices against border searches. If you think you know all about it, then you might try testing your knowledge with a [defending privacy at the U.S. border quiz](#).

Wired [pointed out](#) in 2008 that the courts have routinely upheld such constitution-free zones:

Federal agents at the border do not need any reason to search through travelers' laptops, cell phones or digital cameras for evidence of crimes, a federal appeals court ruled Monday, extending the government's power to look through belongings like suitcases at the border to electronics.

The 9th U.S. Circuit Court of Appeals sided with the government, finding that the so-called border exception to the Fourth Amendment's prohibition on unreasonable searches applied not just to suitcases and papers, but also to electronics.

Travelers should be aware that anything on their mobile devices can be searched by

government agents, who may also seize the devices and keep them for weeks or months. When in doubt, think about whether online storage or encryption might be tools you should use to prevent the feds from rummaging through your journal, your company's confidential business plans or naked pictures of you and your-of-age partner in adult fun.

Fifth Amendment

The 5th Amendment addresses due process of law, eminent domain, double jeopardy and grand jury:

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a Grand Jury, except in cases arising in the land or naval forces, or in the Militia, when in actual service in time of War or public danger; nor shall any person be subject for the same offense to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

But the American government has shredded the 5th Amendment by [subjecting us to indefinite detention](#) and [taking away our due process rights](#).

The government claims the right to [assassinate or indefinitely detain any American citizen on U.S. citizen without any due process](#). And [see this](#).

As such, the government is certainly depriving people of life, liberty, or property, without due process of law.

There are additional corruptions of 5th Amendment rights – such as property being taken for [private purposes](#).

The percentage of prosecutions in which a defendant is denied a grand jury is difficult to gauge, as there is [so much secrecy](#) surrounding many [terrorism trials](#).

Protection against being tried twice for the same crime after being found innocent ("double jeopardy") seems to be intact.

Sixth Amendment

The 6th Amendment guarantees the right to hear the criminal charges levied against us and to be able to confront the witnesses who have testified against us, as well as speedy criminal trials, and a public defender for those who cannot hire an attorney:

In all criminal prosecutions, the accused shall enjoy the right to a speedy and public trial, by an impartial jury of the State and district wherein the crime shall have been committed, which district shall have been previously ascertained by law, and to be informed of the nature and cause of the accusation; to be confronted with the witnesses against him; to have compulsory process for obtaining witnesses in his favor, and to have the Assistance of Counsel for his defence.

Subjecting people to [indefinite detention](#) or [assassination](#) obviously violates the 6th Amendment right to a jury trial. In both cases, the defendants is “disposed of” without ever receiving a trial ... and often without ever hearing the charges against them.

More and more commonly, the government prosecutes cases [based upon “secret evidence”](#) that they don’t show to the defendant ... or sometimes even the judge hearing the case.

The government uses “secret evidence” to [spy on Americans](#), prosecute [leaking](#) or [terrorism](#) charges (even against [U.S. soldiers](#)) and even [assassinate people](#). And see [this](#) and [this](#).

[Secret witnesses](#) are being used in some cases. And sometimes lawyers are [not even allowed to read their own briefs](#).

Indeed, even the [laws themselves are now starting to be kept secret](#). And it’s about to [get a lot worse](#).

True – when defendants *are* afforded a jury trial – they are provided with assistance of counsel. However, the [austerity caused by redistribution of wealth to the super-elite](#) is causing severe budget cuts to the courts and the public defenders’ offices nationwide.

Moreover, there are [two systems of justice in America](#) ... one for the big banks and other fatcats, and [one for everyone else](#). The government made it [official policy not to prosecute fraud](#), even though fraud is the [main business model](#) adopted by Wall Street. Indeed, the [biggest financial crime in world history](#), the [largest insider trading scandal of all time](#), illegal [raiding of customer accounts](#) and [blatant financing of drug cartels and terrorists](#) have all been committed recently without any real criminal prosecution or jail time.

On the other hand, government prosecutors are using the legal system to [crush dissent](#) and to [silence whistleblowers](#).

And some of the nation’s most powerful judges have lost their independence ... and are [in bed with the powers-that-be](#).

Seventh Amendment

The 7th Amendment guarantees trial by jury in federal court for civil cases:

In Suits at common law, where the value in controversy shall exceed twenty dollars, the right of trial by jury shall be preserved, and no fact tried by a jury, shall be otherwise re-examined in any Court of the United States, than according to the rules of the common law.

As far as we know, this right is still being respected. However – as noted above – the [austerity caused by redistribution of wealth to the super-elite](#) is causing severe budget cuts to the courts, resulting in the

wheels of justice slowing down considerably.

Painting by Anthony Freda: www.AnthonyFreda.com

Eighth Amendment

The 8th Amendment prohibits cruel and unusual punishment:

Excessive bail shall not be required, nor excessive fines imposed, nor cruel and unusual punishments inflicted.

[Indefinite detention](#) and [assassination](#) are obviously cruel and unusual punishment.

The widespread system of torture carried out in the last 10 years – with the [help of other countries](#) – [violates the 8th Amendment](#). Many want to [bring it back](#) ... or at least [justify its past use](#).

While Justice Scalia [disingenuously argues](#) that torture does not constitute cruel and unusual punishment because it is meant to produce information – not punish – [he's wrong](#). It's not only cruel and unusual ... it is technically a [form of terrorism](#).

And [government whistleblowers are being cruelly and unusually punished](#) with unduly harsh sentences meant to intimidate anyone else from speaking out.

Ninth Amendment

The 9th Amendment provides that people have other rights, even if they aren't specifically listed in the Constitution:

The enumeration in the Constitution, of certain rights, shall not be construed to deny or disparage others retained by the people.

We can debate what our inherent rights as human beings are. I believe they include the right to a level playing field, and access to safe food and water. You may disagree.

But everyone agrees that the government should not *actively encourage* fraud and manipulation. However, the government – through its [malignant, symbiotic relation with big corporations](#) – is interfering with our aspirations for [economic freedom, safe food and water](#) (instead of [arsenic-laden, genetically engineered junk](#)), freedom from undue health hazards such as [irradiation](#) due to [government support](#) of archaic nuclear power designs, and a level playing field (as opposed to our crony capitalist system in which the [little guy has no shot](#) due to [redistribution of wealth](#) from the middle class to the super-elite, and government support of [white collar criminals](#)).

By working hand-in-glove with giant corporations to defraud us into paying for a lower quality of life, the government is trampling our basic rights as human beings.

Tenth Amendment

The 10th Amendment provides that powers not specifically given to the *Federal* government are reserved to the states or individual:

The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people.

Two of the central principles of America's Founding Fathers are:

(1) The government is created and empowered with the consent of the people

and

(2) Separation of powers

Today, [most Americans believe](#) that the government is *threatening* – rather than *protecting* – freedom ... and that it is no longer acting with the “consent of the governed”.

And the federal government is trampling the separation of powers by stepping on the toes of the states and the people. For example, former head S&L prosecutor Bill Black – now a professor of law and economics – [notes](#):

The Federal Reserve Bank of New York and the resident examiners and regional staff of the Office of the Comptroller of the Currency [both] competed to weaken federal regulation and **aggressively used the preemption doctrine to try to prevent state investigations of and actions against fraudulent mortgage lenders.**

Indeed, the federal government is doing everything it can to stick its nose into every aspect of our lives ... and [act like Big Brother](#).

Conclusion: While a few of the liberties enshrined in the Bill of Rights still exist, the overall scorecard of the government's respect for our freedom: a failing grade.

The 9th and 10th Amendments are key provisions rarely covered anywhere but Constitutional blogs. It's imperative everyone understand the significance of these two priceless provisions.

I'll not bore the people here, but greatly suggest reading up on them.

<http://papers.ssrn.com/> is where many papers have been provided to glean reference to the understanding of the US Constitution, the document laying plain the rules we used to be governed by.

The Constitution was written to RESTRICT the newly created federal government, however, the People have forgotten this key element, and so believe they are granted things by the federal government rather than possessing all and loaning some to the federal government. Current practices and beliefs are irrelevant to the truth that the People are in control, however, too many don't want the responsibility or don't understand their role.

And yes, very good work here.

That's taking a very narrow view of the situation. It also suggests that you may be ignoring what has changed in this country since 1960. I'd list some of the important things that have changed but your reply would no doubt be "it makes us safer". If you don't immediately see that your response is a problem, there's no use explaining that to you either. Good luck in the future; it's going to be harder to get along as you narrow the

blindness.

The article glosses over the Seventh Amendment but that, too, is under assault through “tort reform.” Putting arbitrary caps on damages certainly infringes upon our right to a jury trial in civil cases. Forced arbitration clauses. This amendment is definitely under attack.

- *wunsacon*
-

Agreed, Mike. And that reminds me...

GW, some jurisdictions outlaw citizen recordings of either each other (that is, even during conversations they take part in) or of police/government. That deprives citizens of evidence they might submit in future court cases and, by turning those cases into “he said, she said”, dramatically alters their outcomes. I believe cogent arguments can be made to say those laws infringe on a number of rights, including rights to fair trial and right to “due process”.

Tort reform does not limit actual damages... it limits punitive (i.e. court ordered fees assessed above and beyond actual losses and restitution)

- *wunsacon*

-
- Punitive damages serve important purposes that actual damages do not.
 - Juries often impose punitive damages to penalize recidivism.
 - Juries often impose punitive damages to penalize outrageous behavior.
 - Many injured parties often aren't motivated enough to bring lawsuits against defendants who deserve to be sued, because attorneys usually take 1/3rd of the award fee *after* costs. That means we probably don't see the “optimal” number (or kind) of lawsuits in the court system. An award of punitive damages can make up for this.

What's more, punitive damages were always reviewable on appeal for excessiveness. And very large awards are regularly struck down. State legislators aren't doing us a favor by capping punitive damages. When they do so, they're acting on behalf of large corporate interests — the same people that go out and try to convince rank-and-file voters that plaintiffs attorneys and punitive damages are out of control.

You site “Emptywheel.” No one there was concerned about the loss in representation, yet some bitched, moaned, and complained about their representatives in Congress not listening or can't hear them.

It stands above reason when representation goes from 1 per 30K to 1 per 700K that it's impossible to provide service. While 435 House members sometimes do get some things

accomplished, the loss to the citizens of the USA is beyond and above reason, yet only a dozen people in the country are willing to bother with this basic and bedrock issue.

Besides “Emptywheel” the rest of the country is missing the connection to what makes for responsible government. Constant and continual work is required to make our original form of government work, yet those complaining about the system fail in reasoning this requirement.

For decades and decades the common thought has been government is independent and free to do those things it desires, while citizens must accept the outcome without bothering themselves too much other than voting or not voting. In essence, government is from above and that’s the way it is, “We can’t change the system. We can’t fight city hall.”

My response to this notion and those ignoring the representation issue is Bull-Shit. Get you collective butts into fresh air for a change in order to Make the Change to civilized government by and for people.

“Protection against being tried twice for the same crime after being found innocent (“double jeopardy”) seems to be intact.”

False! The government can’t try you for the same crime twice but they separate the single crime into two violations and then try you for the second one. I this is what happened to the police officers in the Rodney King incident. The were found innocent of using excessive force so the federal government turned around and tried them again for violating King’s civil rights. It was a single action, the beating of Rodney King but they were tried twice.

An Orwellian America

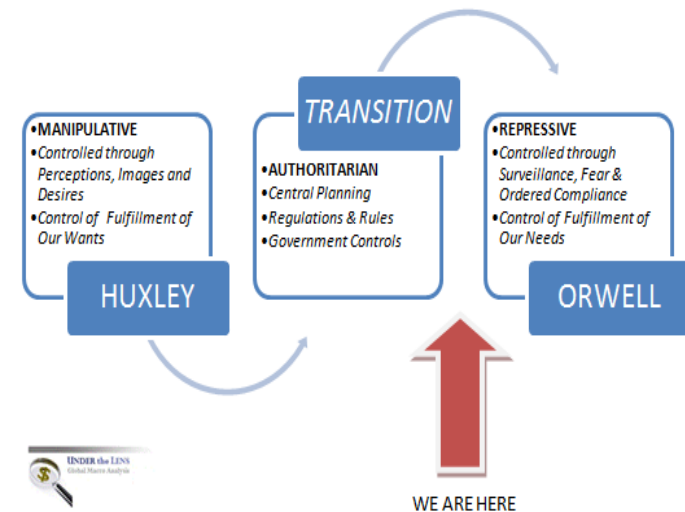

MACRO INSIGHTS - MARCH 2013

AN ORWELLIAN AMERICA

As a young man, I voraciously read George Orwell's "1984", Aldous Huxley's "Brave New World" and Alvin Toffler's trilogy which included "Future Shock", "The Third Wave" and "Power Shift". During the era of the Vietnam War, I wondered seriously about the future and how it was destined to unfold. Now being considerably older, I have the vantage point to reflect back on my early ruminations and expectations. Unfortunately, I am too old to alter the lessons that are now so painfully obvious. Instead, I pass the gauntlet to those who can understand and take action on what I have unavoidably come to expect for America.

A FRAMEWORK OF UNDERSTANDING

THE 'HUXLEY-ORWELL' TRANSITION

I recently read a perceptive paper by Chris Hedges that would have made any English Professor envious, powerfully philosophical but not something an Economics department would pay much attention to. I found it both intriguing and enlightening.

I have borrowed so heavily from it, that I am unsure where the lines diverge. Therefore, below I give full credit to Chris Hedges and take full credit for all the bad ideas.

Chris Hedges of TruthDig.com wrote [2011: A Brave New Dystopia](#), from which the following evolved.

The two greatest visions of a future dystopia were George Orwell's "1984" and Aldous Huxley's "Brave New World." The debate, between those who watched our descent towards corporate totalitarianism, was who was right. Would we be, as Orwell wrote, dominated by a repressive surveillance and security state that used crude and violent forms of control? Or would we be, as Huxley envisioned, entranced by entertainment and spectacle, captivated by technology and

seduced by profligate consumption to embrace our own oppression? It turns out Orwell and Huxley were both right. Huxley saw the first stage of our enslavement. Orwell saw the second.

We have been gradually disempowered by a corporate state that, as Huxley foresaw, seduced and manipulated us through:

- Sensual gratification,
- Cheap mass-produced goods,
- Boundless credit,
- Political theater and
- Amusement.

While we were entertained,

- The regulations that once kept predatory corporate power in check were dismantled,
- The laws that once protected us were rewritten and
- We were impoverished.

Now that:

- Credit is drying up,
- Good jobs for the working class are gone forever and
- Mass-produced goods are unaffordable,

.... we find ourselves transported from "Brave New World" to "1984."

The state, crippled by massive deficits, endless war and corporate malfeasance, is clearly sliding toward unavoidable bankruptcy.

It is time for Big Brother to take over from Huxley's feelies, the orgy-porgy and the centrifugal bumble-puppy.

We are transitioning from a society where we are skillfully manipulated by lies and illusions to one where we are overtly controlled.

Huxley	Orwell
- Warned of a world where no one wanted to read books.	- Warned of a world where books were banned.
- Warned of a culture diverted by mindless pleasure.	- Warned of a state of permanent war and fear.
- Warned of a state where a population, preoccupied by trivia and gossip, no longer cared about truth or information.	- Warned of a state where every conversation and thought was monitored and dissent was brutally punished.
- Saw us seduced into submission.	- Saw us frightened into submission.
Huxley understood the process by which we would be complicit in our own enslavement.	
Orwell understood the enslavement.	

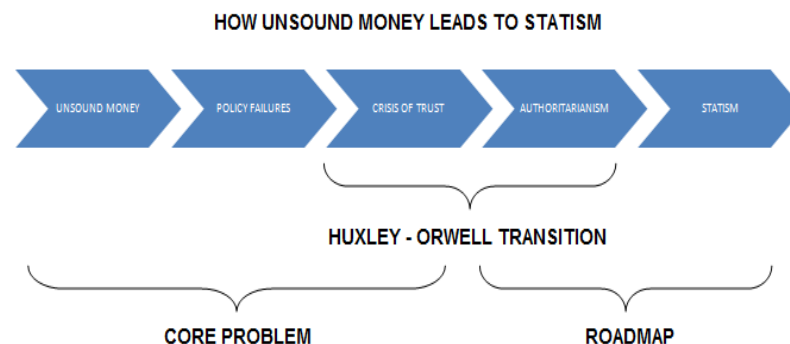

Huxley, we are discovering, was merely the prelude to Orwell.

Now that the corporate coup is over, we stand naked and defenseless. We are beginning to understand, as Karl Marx knew:

Unfettered and unregulated capitalism is a brutal and revolutionary force that exploits human beings and the natural world until exhaustion or collapse.

UN SOUND MONEY LEADS TO STATISM

With this as a backdrop let's explore how Unsound Money in concert with the Huxley-Orwell Transition leads to Statism, the path which I believe we are presently on.

THE CATALYSTS BEHIND THE "TRANSITION"

1- UNSOUND MONEY

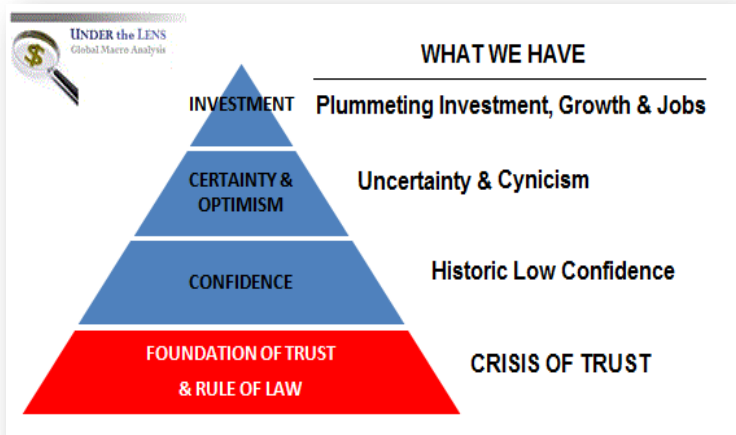

- Removal from Gold Standard and adoption of Fiat Currency regime (in August 1971 during the winding down of the Vietnam War; the first War ever fought without tax increases to pay for it; the beginning of endless 'conflicts' and the War on "Terror").
- Creation and Fostering of a \$67 Trillion Shadow Banking Credit Growth,
- Massive Securitization & Off Balance Sheet Contingent Liability Debt Growth.

2- POLICY FAILURES

- Failed Monetary Policy & Monetary Malpractice,
- Moral Malady,
- Failed Fiscal Policy,
- Failed Public Policy,
- Growth of Political Polarization,
- Entrenched 'Left-Right' Factions,
- An Un-Governable Democracy.

3- CRISIS OF TRUST

- Lost Respect & Confidence
- A Doomed Middle Class
- A Broken Social Contract

4- AUTHORITARIAN ACCEPTANCE

- Central Planning
- Growth in Regulations & Control
- Crony Capitalism & Corporatocracy
- Big Government
- The Huxley - Orwell Transition

CRUMBLING BARRIERS

- The Great Huxley-Orwell Transition
- From Manipulative to Repressive

ROADBLOCKS

- Financial Security through Sound Money
 - Reduced Personal Freedoms through a Crisis
 - Reduced Personal Security through a Constitutional Crisis
- REMOVED
PENDING
FUTURE

DRIVERS

- Globalization & Complexity
 - Fragile versus Robust Systems
 - Interconnectivity and Counter Party Dependency
- The Productivity Paradox
 - Creative Destruction & Job Creation

Let's shift gears and consider what "greases the skids" in enabling this transition in our society to occur.

COLLECTIVISM

In The Road to Serfdom, F.A. Hayek showed how governments, supported by a collectivist mindset, always tend towards totalitarianism. Even the most libertarian government thus far created, the government of the United States, has slipped incrementally towards totalitarianism over the past two centuries. This is because it is an inherent trait of a government.

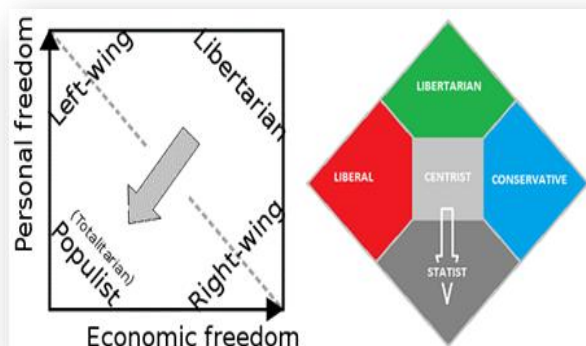

The degree of socialism in the United States increased substantially after the establishment of the Federal Reserve System (1913) and the measures taken during the Great Depression (1929-46) which it created. Ever since the early 1900's the United States has had a two-party system dominated by 'socialists'. The Republican Party has always advocated conservative socialism. The Democratic Party, which in the 19th century favored libertarianism, advocates social-democratic socialism. So long as people are divided by Left and Right, Democratic and Republican, the US is prone to being influenced by factions who transcend party politics and from behind the scenes could possible exert strong control over the United States. They could do this by maintaining power over public opinion and hence over the course of government. Steadily, the United States has been travelling down the road to totalitarianism, and many people have not noticed, possibly because they are only looking at the position on the Left-Right paradigm.

Upon further analysis, it is clear that Left, Right and Centre, are all forms of socialism. In particular, we may call them "social-democratic socialism" (the Left) and "conservative socialism" (the Right). They are both socialism because they both share the principle that the government should "run" and "mold" society, by using legal force and intervention to transfer property and personal wealth as part of the political scientists' process of 'redistribution of wealth'.

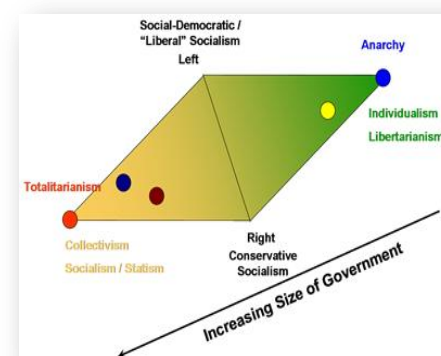

The differences are only in the particular ways the government should run society - the methods it should use, and who, exactly, should be the recipients of government wealth transfers and who should pay. In particular:

- Social democrats tend to prefer heavy taxation, large wealth transfers to the poor, and nationalized industries, and oppose price controls, regulations and behavioral controls.
- Conservatives tend to prefer lower taxation, a smaller welfare state, regulated (cartelized) industries, price controls, product and behavioral controls.

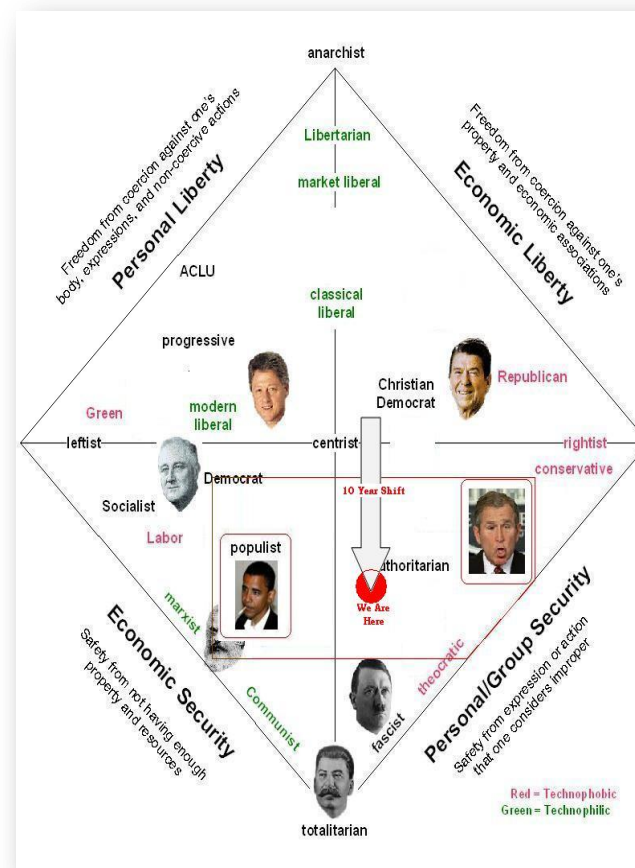

Nolan Charts: Personal Freedom versus Economic Freedom

The modern Republican Party is Center-Right on the Left-Right paradigm. As with the Democratic Party, this obscures the huge range of views Republicans hold on how powerful and how much control the State should be allowed. Their 2008 presidential nominee John McCain, like Barack Obama, strongly favored socialism, though with a Right-wing flavor. Barack Obama (blue circle) and John McCain (red circle) are positioned in the accompanying graphic. Thus, the two main candidates at the 2008 Presidential election represented a false choice - really no choice at all. One candidate, Ron Paul (yellow circle), stood in stark contrast to the candidates, favored by the mainstream media and political establishment. As would be expected, he was neutralized by the mainstream media outlets as a zealot with an unsound political view of America.

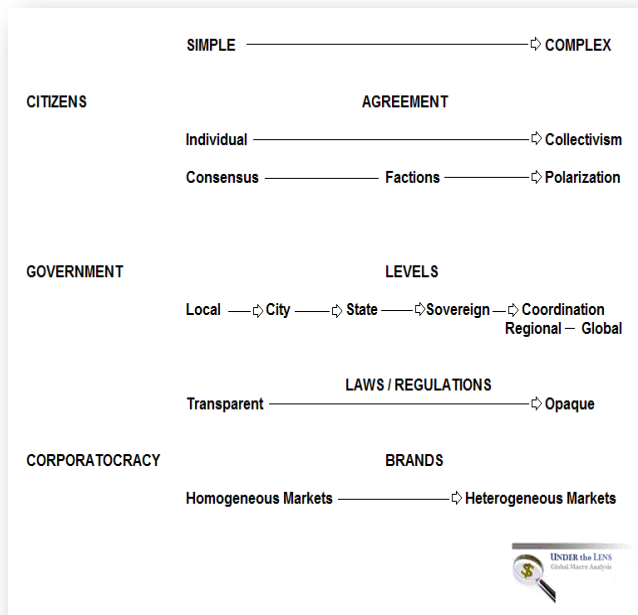

THE POLITICAL CONTINUUM

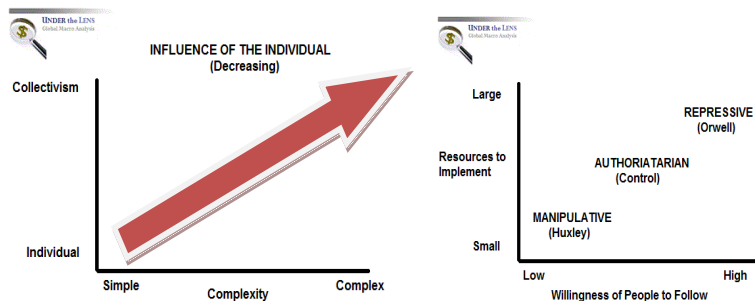

THE EMERGING ROADMAP TO STATISM

Let me now develop and explore the roadmap that outlines the path leading from Policy Failures and Monetary Malpractice, stemming from Unsound Money, to STATISM.

First we will build the outline for the basis of a roadmap on a number of observable continuums.

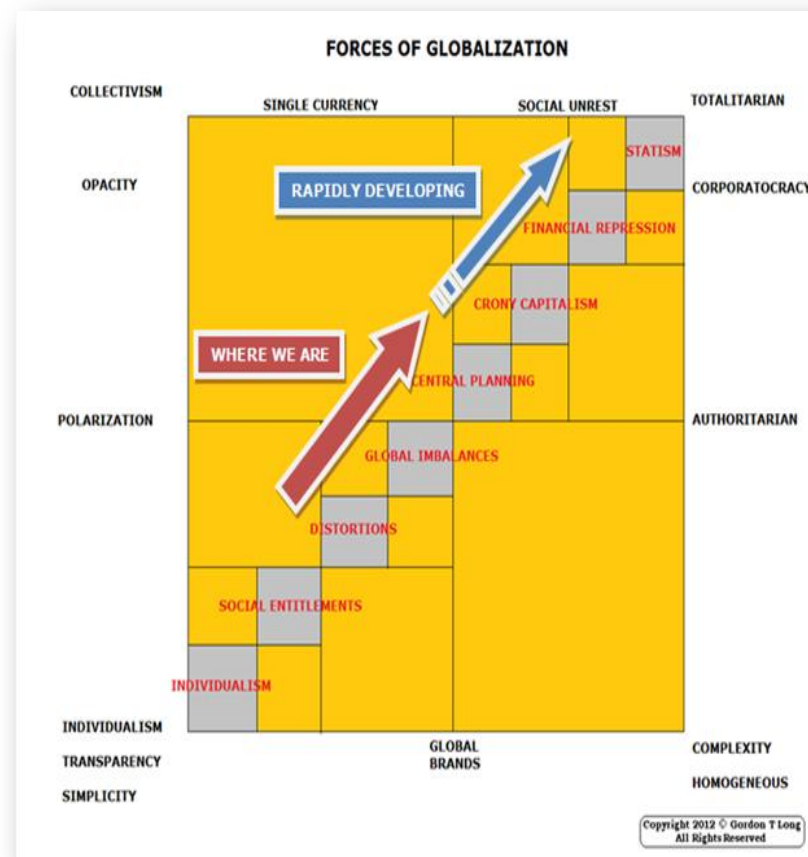

The more complex that issues become, the more collectivism will dominate and individual needs will be repressed. In turn governments will be forced to be more repressive to maintain control over increasing polarization and diverse views and opinions.

EVOLVING STAGES

When we arrange our various continuums we arrive at the representative grid model shown below.

We will quickly acknowledge it is not ideal, but it allows many concepts currently at play to be shown in relationship to others.

This grid is best described as the social forces at play within Globalization - Financial, Economic and Political.

ORWELL'S 1984 IS HAPPENING

We are one crisis away from a police state. All the powers are in place. Someone will flip the switch. Whether a Cyber Attack, escalating Currency War tensions or a 'terrorist' attack by indebted college youth, it is only a matter of time and circumstance.

American culture today have been immersed in entertainment and perpetually distracted with sports. It has been discovered by the “truth movement” that most Americans have lost their moral compass and are so bamboozled with entertainment channels these days that they can hardly recognize or prioritize important information and have difficulty discerning what is fact from fiction. This is how the current system gets away with perpetual string of crimes. Communist agents call it 'demoralization' of a people. Perhaps better put for Americans, the average American is “*factose-intolerant*”.

So, as the following material covers very heavy topics....

first some easily digestible “humor”, over 200 one-liners...

Obama-nation: "National Socialism" (1939-1945 Germany); power in fewer hands has already before drastically TWICE PROVEN TO BE A TERRIBLE IDEA.

The prophetic "OBAMAGRAM" decoding is CLEAR AND MOST HIGHLY obvious.

Obama Can't Save You unless You prevent Obama from casting more deceptions; which started with his fake/forged Hawaiian birth certificate (see: obamacrimes.com). Otherwise, perhaps, the future is already foretold.

The first decoding literally states Obama ("Oh....bomb-us??") will at least appear to be taken out in a bomb blast.

The beast system is not loyal to anyone, only the beast system itself, even Obama.

"They", the global criminal aristocracy, will apparently have Obama ass-asinated.

If Obama is not seen live at ground zero just prior to the the detonation (Washington DC?)

his pseudo-demise could only be yet another ruse. [A large deep tunnel system exists under DC.

The white house has a hidden entrance to an underground tunnel network and secret facility.]

Why a nuke? The incredible decoding states: "A bomb eradicates prank!"

(Letters of "President Barack Obama"): and "Ape bomb! Stark radiance!"

"Stark Radiance" seems to imply nuclear. It appears one of the two decoded Obamagram scripts will be played out.

To help prevent future horror: hot photatocopy this, email, print booklets, even sell for a profit.

ABOUT THE fascist "NEW WORLD ORDER" BEAST SYSTEM; PUBLIC OPINION MEANS EVERYTHING.

Things are now getting worse - even more than under the former puppet scrub Bush Jr!. Total Darkness!

Action! : The major media **celebrity liars** WORLDWIDE need to be **arrested & incarcerated** until the trial, then quickly after them, the **world's criminal elite class for trial**. And **ASAP!**

The global elites have to be contained by the good forces within the various world militaries; a mutiny! Those helpful in their round-ups will receive full pensions funded from the gold, silver, real estate, etc. reclaimed for the people from the Rothschild's and other elites. The "6660" or so elites should be contained in a "floating capstone" prison island, where they can dominate themselves and we can watch via a new reality tv show, like "Lost", but more fun & real.

So QUIT ACCEPTING THE CORRUPT SYSTEM'S EUGENICS/MERCURY TAINTED VACCINATIONS, TOXIC FLUORIDE, NAKED BODY SCANNING, MASS MEDIA LIES, WARS, AND OTHER SOCIALIZED CONDITIONING! AWAKEN TODAY!

Discuss together and prevent the elite's ongoing bio-attack strategies! Do it for you and others!

(More information, updated daily: GCNlive.com (The Genesis Communication Network)

Ultimately the criminal elites will help in deciding their own eternal judgment. So will you... Help by utilizing the internet to help create a mass awakening & e-mail this to friends! Say "No" to preemptive war with Iran and world war - and "Yes" to no fluoridation & naked body scans!

Barack Obama - The Red Menace

By Another Sojourner for Truth

September 12th, 2012

Mr. Obama's records are a matter of national security, as well as world concern, because it is now crystal clear that the man who calls himself "Obama" is a "red" Communist waging a Marxist coup-d'état to overthrow the Constitutional Republic of the United States— a coup which has been in the making for more than five decades.

Part I: Communism: The War on Freedom and Capitalism

In 1959, the Premier of the Soviet Union, Communist Nikita Khrushchev, said to America: "We will bury you" and shockingly, his prediction of fifty-three years ago is now a clear and present danger to the United States! How *did* this happen and how *could* this happen when Americans were so aware of the [threat of Communism in the late 1940s and 1950s](#), as the following six film clips forcefully show:

[The Red Menace](#) (1949): clip: <http://www.youtube.com/watch?v=dXO88iyOyK8>,

COMMUNISM WITH A SMALL "c"

Fourteen years after Khrushchev issued his warning, in January 1963, the following list of [45 Communist goals](#) was read into the U.S. Congressional Record by Congressman Albert S. Herlong Jr., a Democrat, from Florida. This list of goals was extracted from W. Cleon Skousen's revelatory book [The Naked Communist](#).

"The Communists and the Democrats are working together to do the following and have either achieved their goals or are still working toward them. After each comment, the coinciding numbered item on the Communists' list appears."

"Barack Obama has winked at the Russians and told them he will continue to disarm America when he is re-elected. 3"

"He has increased trade with Communist China. 4"

"Obama and the Democrats have long since come to represent the goals of Communism. 15"

"Democrats use the courts to weaken basic American institutions. 16"

"Eliminate and/or mock any efforts to control obscenity laws. 24"

"Present homosexuality as healthy and normal. 26"

“Create the impression that street violence and insurrection are legitimate American traditions. 42”

“Internationalize the Panama Canal. 44”

MARXISM AND GENOCIDE

It is hard to fathom that the [number of people murdered](#) by Marxist Communists in the twentieth century may be as high as 250 million! Their victims were mostly Christians, capitalists, opponents of Communism and whoever else the Marxists deemed to be their enemies. To Marxists, human lives are expendable, especially unborn babies and the elderly. In the United States approximately 50 million unborn babies were murdered by “legal” abortion, bringing the total closer to 300 million souls who lost their lives due to Communist ideology.

Alarming, it now appears that Caucasians are in their crosshairs, as white South African farmers are being slaughtered in a blatant genocide, and the world is doing nothing to condemn or stop it. Will this “white genocide” be coming to America in the spirit of “social justice?”

See Genocide looms for white farmers: <http://www.wnd.com/2012/08/genocide-looms-for-white-farmers/>. Similarly, a “black” genocide, mostly targeting black Christians, is rampant throughout Africa and has been allowed to continue for too many years with too little outcry!

And while all this bloodshed is happening in South Africa, Secretary of State Hillary Clinton appears to have not addressed this issue on her trip to South Africa last month (August 2012).

<http://www.wnd.com/2012/09/accused-genocidal-warlord-named-to-human-rights-council/>

“An African warlord once sought as an international criminal on genocide allegations will soon be contributing his judgments on human rights issues worldwide as a member of the United Nations Human Rights Council, a development that is sparking outrage in Congress.”

Sudan, led by Omar al-Bashir, has been awarded a seat on the international tribunal starting in 2013, and U.S. Rep. Ileana Ros-Lehtinen, R-Fla., said it's just gone too far."

"Allowing this genocidal dictatorship, which has killed thousands of its citizens, to serve on such a body is beyond hypocrisy, it is callous, dangerous, and tragic," she said in a statement issued as the chairman of the House Foreign Affairs Committee."

IS OUR GOVERNMENT NOW THE ENEMY AND ARE AMERICANS NOW "TERRORISTS?"

Americans today rightfully wonder and justifiably fear what is being planned for them by the Marxist Obama regime! Their anxiety is not the stuff of conspiracy-theory paranoia, nor is it expressed by those accustomed to exaggeration and hyperbole.

Rather, pundits and bloggers, radio hosts, and ordinary citizens are asking why several departments in our government – Homeland Security, The National Oceanic and Atmospheric Administration (NOAA), the Social Security Administration, and the U.S. Forest Service – have recently ordered upwards of 1.4 billion hollow-point bullets and other highly-suspect materiel. Who are the bullets intended for? The American people?

THE THREATS FACING AMERICA

The United States, the Western world, and civilization itself are clearly and undeniably in grave danger as the Constitutional rights, property, freedom, futures, and lives of all Americans are being assaulted and facing threats on all fronts every day and the U.S. media is and has been complicit in this cover up, which Sheriff Joe Arpaio has called "ten times worse than Watergate."

In the following speech, President Kennedy defined what transparency really is and why it is important and necessary in a "free and open society."

President John F. Kennedy's Media and Secret Society Speech – Complete Transcript

<http://pastebin.com/f65d4172a>

“The very word "secrecy" is repugnant in a free and open society; and we are as a people inherently and historically opposed to secret societies, to secret oaths and to secret proceedings. We decided long ago that the dangers of excessive and unwarranted concealment of pertinent facts far outweighed the dangers which are cited to justify it. Even today, there is little value in opposing the threat of a closed society by imitating its arbitrary restrictions. Even today, there is little value in insuring the survival of our nation if our traditions do not survive with it. And there is very grave danger that an announced need for increased security will be seized upon by those anxious to expand its meaning to the very limits of official censorship and concealment. That I do not intend to permit to the extent that it is in my control. And no official of my Administration, whether his rank is high or low, civilian or military, should interpret my words here tonight as an excuse to censor the news, to stifle dissent, to cover up our mistakes or to withhold from the press and the public the facts they deserve to know.”

President Kennedy and Chairman Khrushchev

Silence in the face of this collusion and conspiracy against the American people, the U.S. Constitution and Bill of Rights, is only helping to hammer the nails into our collective coffins and time is running out. More and more Americans are seriously wondering if there will even be elections in November 2012 and if Mr. Obama will stage a false flag event like the [Reichstag Fire](#) that was staged by Hitler in Germany, call for Martial law, and suspend the elections so he can retain power, thus completing the promise he made to “fundamental transform” our country into a Communist nightmare!

It is imperative that all Americans *immediately* demand in unison:

"Mr. Obama: Unseal your records!" because it is now apparent that Mr. Obama's records are a matter of national security!

THE RUSSIANS REALLY ARE COMING!

Elections have consequences, which is why there are many Americans who today believe that America elected the wrong man to be President in 1964! Barry Goldwater understood the threat that Communism was to America as the following clip shows:

Barry Goldwater - Khrushchev, We Will Bury You 1964 Election Ad
<http://www.youtube.com/watch?v=OwJHg9UBNPE>

The anti-Communist film, “The Red Menace,” debuted in 1949. Only seventeen years later, the culture had changed so much that the subject of Russian troops landing on the Massachusetts coast had become comedy!

The Russians Are Coming, The Russians are Coming (1966) - clip from film:
<http://www.youtube.com/watch?v=pXXGep9RB34>.

But now this is no longer comedy! Senator Cornyn recently asked why there were undetected – or at least unreported -- [Russian attack submarines in the Gulf of Mexico](#) in June and July, 2012.

“Cornyn presses Navy for more info on Russian subs in US coastal waters (August 17th, 2012) by Carlo Munoz.” <http://thehill.com/blogs/defcon-hill/navy/244169-cornyn-presses-navy-on-Russian-subs-off-us-coast->

“A top Senate Republican wants to know how a Russian attack submarine was able to conduct a patrol mission miles off the U.S. Coastline without the knowledge of the American military or intelligence officials. In a letter to Chief of Naval Operations Adm. Jonathan Greenert on Friday, Sen. John Cornyn (Texas) demanded ‘a detailed explanation of the facts’ surrounding the incident in which an Akula-class nuclear attack submarine was able to sail into the Gulf of Mexico undetected.”

““The submarine patrol ... seems to represent a more aggressive and destabilizing Russian military stance that could pose risks to our national security,” Cornyn said in the letter.””

Then, a Navy chief *denied* that it happened!

“Navy chief denies Russian sub entered Gulf of Mexico”: August 31, 2012:

<http://freebeacon.com/gulf-war/>

On September 4th, 2012, Chet Nagle wrote the following article on the same incident: *The Russians are Coming, the Russians are Coming*:
http://www.familysecuritymatters.org/publications/detail/the-russians-are-coming-the-russians-are-coming?f=must_reads

“In 1966, a Soviet captain ran his submarine aground on a Massachusetts beach in the comedy film, *The Russians Are Coming, the Russians Are Coming*. In 2012 a Russian captain took his submarine into the Gulf of Mexico and did not run it aground. Instead, he proved the United States could neither detect nor deter him, and then sailed home. Senator John Cornyn, (R-Texas) did not think it was a comedy.

According to press reports, the Russian navy sent a stealthy Akula nuclear submarine into the Gulf of Mexico on a month-long patrol in June and July. With his eye on 624 miles of Texas Gulf coastline, Senator Cornyn wrote to the Chief of Naval Operations, Admiral Jonathan Greenert, and demanded a detailed report on the incursion.”

Sadly, Americans and the rest of the free world were duped into thinking that Communism was dead and gone with the historic and iconic tearing down of the Berlin Wall in November 1989.

Communism did not die, but like a deadly virus, gained strength as the “progressive” movement mutated and went deeper underground when the Union of Soviet Socialist Republics (USSR) collapsed in 1991.

THE PLANNED DISARMAMENT OF AMERICANS AND AMERICA

The plan to disarm the American people was apparently initiated in 1961 and is described in the following article by Thornton Parsons in July 2012: “Obama’s Red Freudian slip is showing” – <http://www.lsnewsgroup.com/2012/07/27/obamas-red-freudian-slip-is-showing/>.

“This plan was perfectly designed to confiscate the arms of law-abiding citizens in America under the ruse of preventing war. It acknowledges that the goal can be successful by using the United Nations and a treaty that would, in time, accomplish their plan. Now at the final threshold, just a few decades later, it appears that the blue-helmeted United Nations forces will now be able to dictate how Congress and Americans can utilize their Constitutional rights. An excerpt from the Department of State in 1961 states: “. . . a world where adjustment to change takes place in accordance with the principles of the United Nations; a world where there shall be a permanent state of general and complete disarmament under effective international control and where the resources of nations shall be devoted to man’s material, cultural, and spiritual advance”

<http://www.usnews.com/opinion/articles/2010/08/16/jim-demint-the-new-start-treaty-weakens-us-national-security>.

“The concessions President Obama made to Russia to get the New START signed are precisely why the Senate should not ratify it.”

“New START is another Obama giveaway at the expense of U.S. citizens. The treaty mandates strategic nuclear weapons parity with the progeny of an old Cold War foe, yet allows the Russians to maintain a 10-to-1 tactical nuclear-weapons advantage. Whether in warhead and launcher limits, verification, or missile defense, America loses. The treaty dampens the U.S. ability to defend against missile attacks and makes America and her allies vulnerable to rogue nations while receiving nothing for our concessions.”

According to Trevor Loudon, a New Zealand native and prolific blogger, when our military is finally dismantled, Russia will destroy the U.S. This is what they have been working toward for decades: It is their endgame!

Then, on August 24th, the State Dept. went even further:

Recent Report: State Dept. Considers Eliminating US Nuclear Arsenal (August 24th, 2012)

<http://www.breitbart.com/Big-Peace/2012/08/23/Report-Obama-s-State-Dept-Considering-Elimination-of-Our-Nuclear-Arsenal>

“Although President Obama's current defense cuts are so drastic that even Rep. Nancy Pelosi [is scared](#) they might cost Democrats more seats in the House, State Dept. advisers are [reportedly](#) encouraging further cuts and even the all-out elimination of the U.S. nuclear arsenal.”

Obama's Plan for U.S. Arsenal Unsealed in Charlotte:

<http://www.wnd.com/2012/09/obamas-plan-for-u-s-arsenal-unsealed-in-charlotte/>

“The Democratic Party's formal 2012 platform, unveiled at its convention in Charlotte, N.C., last night, calls for reductions in the U.S. nuclear stockpile but does not reveal the specific number of nukes to be destroyed.

However, a recently released book suggests the specific blueprint for a second Obama term includes plans to reduce the U.S. nuclear arsenal to no more than 292 deployed nuclear weapons.”

THE "FAIRY TALE" PATERNITY OF BARACK OBAMA SR.

Increasing numbers of people consider Obama's entire birth story [as well as his *entire* biography] to be a fantastic piece of fiction and have speculated that his father was more likely to be Frank Marshall Davis, Malcolm X, or even his alleged grandfather, Stanley Armour Dunham, [Obama says [here](#) that his father served in World War II and [here](#) that his father's coffin is draped with the American flag]. His real mother may have been either an exotic girlfriend of Stanley Armour or possibly a white girlfriend of Malcolm X.

Washington insider Dr. Jack Wheeler seems to accept Obama's claimed lineage, but with a twist: <http://www.debrajmsmith.com/obamanotAA.html>

"He has no real identity," Wheeler writes. "He is half-white, which he rejects. The rest of him is mostly Arab, which he hides but is disclosed by his non-African Arabic surname and his Arabic first and middle names as a way to triply proclaim his Arabic parentage to people in Kenya. Only a small part of him is African Black from his Luo grandmother, which he pretends he is exclusively."

"What he isn't, not a genetic drop of," Wheeler continues, "is 'African-American,' the descendant of enslaved Africans brought to America chained in slave ships. He hasn't a single ancestor who was a slave. Instead, his Arab ancestors were slave owners. Slave-trading was the main Arab business in East Africa for centuries until the British ended it."

That Barack Obama, Sr. is the real father, is the premise of the new film:

2016: *Obama's America*: <http://2016themovie.com/>.

Drew Zahn writes, in his September 2012 article, *Does Obama Really Hate America*:

"If D'Souza is right that Obama has concealed a raging anti-colonialist worldview in a false cloak of Ivy-league liberalism, then many of the Internet's wildest rumors could prove legitimate: Obama actually *would* want to see the U.S. economy crumble; his budget cuts and nuclear reduction drive really *would* be an attempt to undermine the U.S. as a world superpower; his push for global warming initiatives really *could* be just a way of forcing developed countries to pay undeveloped nations billions in reparations; and ... well, really ... he *would* hate America."

FRANK MARSHALL DAVIS: THE SOVIET UNION'S MAN IN HAWAII

Joel Gilbert: *Dreams from My Real Father*, www.obamasrealfather.com.

Joel Gilbert's brilliantly documented and researched new film, *Dreams From My Real Father* posits that "Obama" is the biological and ideological offspring of Frank Marshall Davis, who was a known Communist with confirmed connections to the Communist Party ([CPUSA](#)) and the (then) U.S.S.R., whose dreams were to overthrow and destroy America. If Frank Marshall Davis is the father, then Obama is undeniably a Communist "mole."

"A curious specter will be hovering over the Democratic convention this week. It is the ghost of Frank Marshall Davis, Communist [Party](#) USA member 47544 and mentor to a young Barack Obama."

"Readers of this site are well aware of Davis, from my writings and those of others who have posted articles here. Davis joined the Communist Party during World War II and was unflinchingly pro-Soviet and pro-Red China. He was the founding editor-in-chief of the *Chicago Star* (1946-48) -- the CPUSA publication for Chicago -- before moving on to the *Honolulu Record* (1949-57), the CPUSA publication there. He excoriated the Western leaders who stood in the way of Stalin, meaning Winston Churchill and Harry Truman, whom he portrayed as colonialists, imperialists, fascists, and racists."

"Frank Marshall Davis's politics were so radical, and so pro-Soviet, that the Democrats who ran the Senate in 1956 summoned him to Washington to testify on his pro-Soviet activities. Even more remarkable, the FBI placed him on the federal government's Security [Index](#), meaning that if a war broke out between the United States and the Soviet Union, Obama's mentor could have been placed under immediate arrest."

In 1992, during a business trip to Moscow, the Russians told American businessman Tom Fife about a future U.S. president who would be half-black and a Communist, and born of an African father and an American mother.

DID OBAMA ATTEND PATRICE LUMUMBA UNIVERSITY IN MOSCOW

In this must-listen interview by Rick Wiles of Attorney Stephen Pidgeon, the author of [The Obama Error](#), maintains that a man named "Obama," a law student who was born in 1961, was a documented student at the Patrice Lumumba University in Moscow, which, according to Attorney Pidgeon, was "a boarding school for recruits being trained in the techniques of communist overthrow."

http://www.youtube.com/watch?feature=player_embedded&v=DH16Vj1T-4M

Soviet spy for the U.S., Lt. Colonel Oleg Penkovsky, in his notes that became *The Penkovsky Papers*, described Patrice Lumumba University this way:

"The entire faculty of that university is made up of K.G.B. employees, even the people in charge of the dormitories. ... The basic task of the Friendship University is to prepare a fifth column for the African countries. Many of the students have already been recruited, and are now working for the Soviet intelligence service. They are studying Marxism and Leninism, being prepared politically to become the future leaders of African countries. As a first step, after their return from Moscow, they are directed to organize strikes, demonstrations, overthrow governments, etc. In the university they are well fed, clothed, and given money. They live better than the average Soviet student; almost everything is paid for." ---*The Penkovsky Papers: The Russian who spied for the West*, Collins Publishers, 1965, p. 190.]

Attorney Pidgeon predicts that Obama will double cross the "New World Order," throw them under the bus, and will establish an Islamic caliphate with himself at its head. This could very well be, but could the conspiracy be more complicated than even Attorney Pidgeon believes? Could Russia be pulling Obama's strings and could it be Russia's ultimate aim to dominate the world?

In this excerpt from Tom Fife's conversation in 1992 with the Soviet Communist party member, that appears to be the plan:

"Since I had dabbled in languages, I knew a smattering of Arabic. I made a comment: 'If I remember correctly, 'Barack' comes from the Arabic word for 'Blessing.' That seems to be an odd name for an American.'" She replied quickly, "Yes. It is 'African'", she insisted, "and he will be a blessing for world Communism. We will regain our strength and become the number one power in the world."

[Mahmoud Abbas](#) and [Ayatollah Khomeini](#) of Iran studied at the Patrice Lumumba University in Moscow and [a former KGB admitted that Al Zawahiri was trained by the KGB in 1998.](#)

Mahmoud Abbas: Graduate of Patrice Lumumba School in Moscow:

<http://www.youtube.com/watch?v=pFqQO8IBalg>

One has to wonder why the first call that Obama made immediately after his inauguration was to Mahmoud Abbas, Chairman of the Palestine Liberation Organization since 2004, and President of the Palestinian National Authority since 2005, which he ran for on a terrorist Fatah ticket.

Mahmoud Abbas's [thesis](#), in which he denies that six million Jews were murdered by the Nazis in the Holocaust, was completed in 1982 when Abbas was a student at Patrice Lumumba University, and later morphed into the book *The Other Side: the Secret Relationship Between Nazism and Zionism* (1984).

Could Obama and Abbas have been classmates at Moscow's Patrice Lumumba University in 1982? Obama's whereabouts in 1982 are not known and he was not at Columbia University. Without Obama's records, this possibility cannot be ruled out.

“What Can Senator Richard Lugar Tell Us About That Russian Incident In 2005 With

Obama?” <http://advanceindiana.blogspot.com/2011/10/what-can-lugar-tell-us-about-that.html>

“There has always been a bit of mystery surrounding Sen. Richard Lugar's trip to Russia in 2005 with the newly-elected Senator from Illinois, Barack Obama, as part of the Cooperative Threat Reduction program which oversaw the elimination of some nuclear weapons. In particular, was the incident where Lugar and Obama were detained by Russian authorities for several hours while their passports were inspected. Actually, it was only Obama's passport that the Russians were interested in inspecting, but Lugar has always provided cover for Obama concerning the incident. The American Thinker's Mondo Frazier has an interesting perspective on [what it was the Russians were interested in learning more about Obama](#). Frazier cites Italian sources as claiming the Russians were interested in learning about Obama's role as a spy for the British government, one of the three countries of which he has held citizenship.”

In Moscow, Igor Panarin's Forecasts Are All the Rage; America 'Disintegrates' in 2010: <http://online.wsj.com/article/SB123051100709638419.html>

MOSCOW -- For a decade, Russian academic Igor Panarin has been predicting the U.S. will fall apart in 2010. For most of that time, he admits, few took his argument -- that an economic and moral collapse will trigger a civil war and the eventual breakup of the U.S. -- very seriously. Now he's found an eager audience: Russian state media.

Mr. Panarin posits, in brief, that mass immigration, economic decline, and moral degradation will trigger a civil war next fall and the collapse of the dollar. Around the end of June 2010, or early July, says, the U.S. will break into six pieces -- with Alaska reverting to Russian control.

Part III. The Man Who Calls Himself President Obama

<http://artsbeat.blogs.nytimes.com/2008/05/21/what-obama-is-reading/>

(Doug Mills/The New York Times)

Just four months after Obama's inauguration, in May 2009, Joan Swirsky said, in her prescient article, "[The President Who Hates His Country](#)":

"In just the first 100-days of his tenure, Obama's words and actions have demonstrated that he is no friend of the country he leads. This is only a smattering of what happened on his recent three-continent trip abroad and to Mexico:

- In France, Obama told his audience that America "has shown arrogance and been dismissive, even derisive" toward Europe.
- In Prague, Obama – in true utopian-kindergarten fashion – pledged "with conviction" that America will "seek the peace and security of a world without nuclear weapons." In other words, destroy big bad America's ability to defend itself!
- In London, Obama made clear that the world's financial wealth was no longer made by those inferior leaders Roosevelt and Churchill, effectively ceding America's leading role in creating and sharing wealth to nations that have never measured up to our country's bountiful generosity or spirit of free-market entrepreneurship.

- In Port of Spain, Trinidad and Tobago, Obama sat passively while the Marxist Chavez handed him an American-bashing book and delivered another revile-America speech, while never once rising to defend our country.
- In Port of Spain, Trinidad and Tobago, Obama again sat passively while the Marxist Ortega blamed the United States for a century of what he called terroristic U.S. aggression in Central America, again emitting not a whisper of defense on our country's behalf.
- In Turkey, Obama said – incredibly and inaccurately – that America was not a Christian nation.
- And in his recent trip to Mexico, Obama said that the escalating border violence was essentially America's fault."

http://www.americanthinker.com/blog/2009/07/obamas_hand_over_heart_for_rus.htm

In his trip to Russia as President of the United States in July 2009, Obama was photographed placing his hand over his heart when the Russian anthem was being played, but as we can see, he didn't place his hand over his heart during the playing of the U.S. national anthem.

“Turns out he’s not Kenyan after all. He’s [KGB](#). All this time, people were worried that President [Obama was born in Africa](#) and that his radical agenda had been crafted by the Rev. [Jeremiah Wright](#) and [Saul Alinsky](#) on the streets of Chicago’s South Side.”

“Now we know his real radical hidden agenda is in service of the Kremlin.”

“Mr. Obama reached the darkest low of his presidency this week in [South Korea](#) when he was caught on an unseen mic plotting with the leader of one of our oldest adversaries to thwart the will of American voters and advance the interests of enemies who want to see the world’s last remaining beacon of freedom finally destroyed.”

“On these issues — but particularly missile defense — this can be solved,” he tells [Russian](#) President [Dmitry Medvedev](#), like in a scene from a Cold War spy movie.”

“But, Mr. Obama explains to his handler, he needs more time, and he needs to get into a position where he is no longer answerable to American voters.”

“This is my last election,” he says. “After my election, I have more flexibility.”

“Speaking in robotic Russian spy-speak, [Mr. Medvedev](#) promises to convey the message to incoming President [Vladimir Putin](#): “I understand. I transmit this information to [Vladimir](#).””

“Not since the tapes of [Richard Nixon](#) has a U.S. president been caught uttering such sinister words in an unguarded moment. And, one could easily argue, Mr. Obama’s dishonest scheming puts [Nixon](#) to shame because it is American voters — not his political enemies — he is selling down the river.”

“It was particularly chilling to hear Obama’s words of betrayal uttered in such a familiar voice that has served to raise the hopes and inspire the dreams of so many of us. It is now official: We fell for a complete and total lie.”

“His cold, calculating message reveals a deep dishonesty many of us still did not dream Mr. Obama was capable of. It is a duplicity in allegiance unthinkable for an elected American president. Literally, he overrides the interests of American voters who will go to the polls with those of Moscow and Tehran, with whom he will deal after his re-election.”

“Understandably, our longest-standing and most steadfast friends in Poland and Israel shuddered with every deceitful word.”

“The question now is, Mr. President, what other secret deals have you made with our foreign enemies? What other tricks do you have up your sleeve that you plan to jump on us after you have been re-elected and we no longer have something you want?”

Could there be a link between FEMA camps and the many alarming reports of foreign [English-speaking Russian troops] in the U.S.?

Obama has called for a Civilian National Security Force, “just as strong and just as powerful as the U.S. Military.” Could the Russian troops people have reported seeing around the U.S. be the new mercenary security force? Foreign troops would be more likely to carry out the elimination of millions of Capitalists [promised by Bill Ayers] than the U.S. military.

Though the multi-agenda chemtrail/geoengineering program has been going on for decades, is it a coincidence that the Start Treaty of December 2010 was signed at roughly the same time that the major “chemtrail” assaults began around the U.S.? Could it be, as the late [Rosalie Bertell](#) believed (5:13), that the chemtrail program may be part of a plan to, at some point, disperse biological and chemical weapons. “Chemtrails” may be, therefore, a “delivery system” for the airborne weapons that will replace the nuclear option. This could very well be possible in light of the signing of the Start Treaty between the United States and Russia, the aim of which was to limit the use of nuclear weapons.

United We Stand, Divided We Fall

On September 11th 2001 Americans were united as one people in one country.

The 9/12 Project - Glenn Beck

http://www.youtube.com/watch?v=_FM66XdbYcc&feature=related

A HOUSE DIVIDED CANNOT STAND

Since 2008, Barack Obama has practiced the Marxist “divide and conquer” technique to divide the American people by any means necessary in order to achieve the “Communist revolution.” He has divided them by age, class, gender, religion, sexuality, etc., in order to destabilize American society.

People who are fighting with each other don’t talk to each other and cannot unite as one people to defend themselves from the encroaching shackles of the all-powerful government that Barack Obama and the Communists have in store for us.

For the past four years the American people have experienced more disasters, domestic attacks, and social fragmentation than any other four year period in recent history. These events were likely all scripted and orchestrated events to destabilize the U.S., “by any means necessary,” in order to promote the Communist agenda. “Problem, Reaction, Solution” is their mantra and reality is their stage! In order to survive and succeed as a nation we must again become one people and one, undivided, America in spite of the forces that are working to tear the this country apart.

Part VI: The Inescapable Conclusion

Though all of Barack Obama’s records are still sealed, Obama’s real identity, as Michelle Obama admitted on September 6th in her speech at the DNC Convention, has, over the past four years, been revealed to the American people and the world community. “I have seen first hand that being President doesn’t change who you are. No, it reveals who you are.”

Declaration of We The People
for the Establishment of :::
The Independent States of America
(I.S.A.)

We The People can make a dramatically positive difference together. We need a common theme. We can all live in a better and happier world. We need to do something big to mark the real change.

Right now, we are United as 1939 Eastern Germany: one entire country, one currency, one financed puppet commander, and many wars. We are no longer 50 independent states. We are now much like the "unsinkable" Titanic, crashing into icebergs (other cultures) and taking on more and more water (debt). Our country has been sinking; slowly and dramatically. The elite class, who work collectively as one mind, wants another world war for the poor to suffer and die in. Are we just going to take orders, get suited up as with one uniform, to kill more? Is it brave to bomb other people? Isn't there a more peaceful way to be?

Yet the seemingly forgotten 10th amendment to the Constitution grants each of our 50 states *independence* from central control. But the out of control central government is now creeping into our own homes. It started long ago with cancer causing fluoride put into our water. Are we each free & independent? Have we now just become penned-up slaves? Are we meek or are we brave? Are we just the home of the slaves?

Together we can remove the old corrupt global establishment that en-debts and controls the United States of America. We can definitely restore sanity, peace, balance, prosperity, & all beneficial human freedoms.

All we have to do to create a solid foundation for real positive change (not chump change) is agree to do one thing together, or at least most of us. That is, **we wish to establish a new government** by and for We The People in the eyes of Creation. We need immediate volunteers. The best chance of this is sharing this idea and printout, back and forth, everywhere, for the Establishment of the "Independent States of America" or I.S.A. **You can be the "T" in I.S.A.**; a slight change of wording, but a big, real and tangible difference. We can establish a benevolent system; perhaps one that provides property to new citizens, when they turn 18.

Together, We can overcome a lying out-of-control parasitic criminally corrupt government. If every soldier joins us, then we don't even need to get our guns out to expunge today's class of corrupted politicians, in order to get them completely out of the way. Not centralized power, but 50 good short-term governors for the 50 independent states, elected by the people of each state. 50 currencies and 50 constitutions, for the protection of minority rights everywhere; as defined by the full voting electorate of each of the 50 states.

USA can easily be made into ISA. No more national war mongering state Offenses, just a strong set of 50 Independent State Defenses. A beneficial system; perhaps one that provides a home for every new family.

"T" agree to the establishment of the Independent States of America, in order to fully replace the corporate controlled, horribly corrupted, war mongering centralized power of Washington DC; we declare 50 states.

Just get two others to sign before framing your statement and pass around many copies; it is the duty of every free and independent person to promote freedom. If this quickly becomes a fad; We will convene for real positive change. There is no website behind this; nor any particular people. It is free to say "Yes!".

Universal People's Statement of Freedom

(Maximum Freedom or Fascist Slavery; it's each individual's decision. *Public opinion means everything.*)

Lovers of Freedom have continuously struggled against the forces of tyrannical governments for multitudes of centuries in the ever deceptive and animated contest between the spirit of enslavement versus the spirit of liberty. When in the course of world events it becomes clear government has become intentionally deceitful, destructive, and murderous - using any form of falsehood, manipulation of media, or theater as cover for an array of crimes - as well as for the next form of government, it is a matter of self-defense for the people of the nation and the world to throw off a corrupt system of government enslavement; and with expediency set then widely announce another special date, apart from July 4th, that will in the future echo worldly celebrations of the cause of liberty. The people should subsequently convene in large numbers on that date and also through the public global computing system of the time, for a convention of the people. The result of the open convention is to have authored, selected, and begun the implementation of a more protective system of shared rights, law, governance, and justice for the current and future generations; of any nation; for the collective happiness of all.

The laws of a Republic should be written clearly in the form of a constitution. However when once trusted political figures individually or as a whole concert of corruption, or the distribution of wealth or establishment system as a whole, betrays the trust of the citizenry by operating outside of the rules and constraints listed in such a constitution, then the citizens of the broken republic should take the stated recommendations of their previous declaration of independence & constitution, along with methods of self defense, back into their own hands. More than responsibility, it is the most sacred duty of the spirit of liberty and justice for all.

By the year 2008, through a persistent stream of offensive actions, including 9-11-2001, the organization widely known as the "United States Government" has declared itself murderous; while bankrupting the working class of America and instituting fascist rule. It has become evident to multitudes of people of every nation that the current government is allied with a cabal of corrupt international banking, war-mongering, so-called "freemasonic", "illuminati" or "new world order", interests. *Therefore* the "United States Government" has severely turned away from serving its sacred cause of freedom!

Therefore the "United States Government" has failed and is de-facto illegitimate as of the time of the announcement of this declaration at the start of the new people's convention. Revolution is the only possible cure for fascism; and it has already gone beyond the need for a once independent people to have a fresh start! The people's convention date will be decided by the truth movement.

Consequently, All of its previous authority over the citizenry is thereby removed by this declaration; and All freemasonic governments worldwide should be dissolved entirely by the great many world's people. All existing mob-ridden local governments over the individual and the municipalities should be fully dismantled, re-instituted, and rebooted with a fully transparent, efficient, protective, and accountable system model the people's convention democratically selects. All civil rights & laws should be voted for in a true 1-person-1-vote democratic and transparent form - as we always carry a vital responsibility to together choose what has control over our lives and what would ensure us maximum safety & happiness.

This progressive change of government should be enabled and empowered by the entirety of all national and returning armed forces together with all non-terminated local police and the widespread armed citizenry. No more system tyranny!

As we acknowledge this world-wide published declaration in multitudes, we pledge allegiance to each other. We are firm in our disassociation from the previous "United States Government" or any corrupt power. In unison We proclaim to disallow that organization to silence us, to control the mass media or the internet, to suppress us, to spray chemicals upon or conduct any experiments on us, to detain us, to imprison us, to terrorize nor genocide us, to tax us, to bill us, to create dollars or borrow credit, nor counterfeit paper money, to legislate for us nor to adjudicate any proceedings, to direct our armed forces, to make war, or make agreements in our name, nationally or internationally. We are fully aware of our Creation-given rights; **including dissent.**

Addendum: Initial action list for the people's convention (recommended date: **July 5th, 2011**; location: **St. Louis, MO**)

- * Withdrawing our businesses and franchises from federal or state-wide taxation of the "United States Government" and its equally corrupt *mother companies, the United Nations, International Monetary Fund, and World Bank.*
- * Create a new fully accountable system of money and taxation commissioned by the improved freshly-chartered citizen's government to: *pay off all national debts, redistribute wealth fairly, fund the new government, and reinvigorate the economy.*
- * Build a beautiful new national capitol city designed by non-freemasonic architects and constructed by the many hands of the nation within a *large, and voted-upon, national forest. A new capitol is essential to mark the change in thinking.*
- * Close and refurbish Washington DC, converting the former capitol into a city -wide orphanage and school campus for the nation's *underprivileged children; dedicated in honor of patriots who lived bravely before us without shame.*
- * Establish a new passport identification, numbered as chronologically signed, and imprinted inside a new & improved Bill of Rights - to be made *available for all listed and future citizen signatories of this declaration of freedom from system tyranny statement; that anyone and everyone around the world is invited to recognize and support together forevermore. (All inmates individually reviewed for possible release.)*
- * No more will we allow homeless/helpless to be picked up, medically experimented upon, or murdered. Every destitute person should be given an opportunity by the new system to construct a dwelling and share in a community atmosphere.
- * An end to the concept of "foreclosures". No more will the system be able to profit by conspiring to set market conditions so that people are unable to afford their family homes. Each house now belongs to the family, not to a bank.
- * Project Fresh Start – **Organic Home Gardening Incentive Program**, using a portion of elite reclaimed wealth, to finally solve world hunger. We should each also be motivated to erect personal greenhouses and maintain private gardens year-round. ~~~

Democracy arises out of the notion that those who are equal in any respect are equal in all respects; because men are equally free, they claim to be absolutely equal. Republics decline into democracies and democracies degenerate into despotisms. - Aristotle

If the world knew how to use freedom without abusing it, tyranny would not exist. - Tehyi Hsieh

The modern banking system manufactures money out of nothing. The process is perhaps the most astounding piece of sleight of hand that was ever invented. Banking was conceived in inequity and born in sin... Bankers own the earth. Take it away from them but leave them the power to create money, and, with a flick of a pen, they will create enough money to buy it back again... Take this great power away from them, or if you want to continue to be the slaves of bankers and pay the cost of your own slavery, then let bankers continue to create money and control credit. - Sir Joseph Stamp, former president of the Bank of England

\$\$\$ We need to replace the self-destructive US dollar, now propped up as the world's reserve base currency. The current elite class have ideas for that already: the Amero, The Globo, the SDR, and the Bancor. However, we need to incarcerate the elite and reclaim the wealth they have stolen from the world through their big currency schemes of the past. A new world reserve currency would need a new name & new publicly transparent oversight and frequent audits by the people of the world. Elected boards should be established, and no board member should at any time profit excessively from their elected duty. Here is an idea for a name of a new global currency, the Dillar. For two reasons, the next currency will have a digital overlay to guard against counterfeiting, yet retaining privacy of use, so a digital dollar could be shortened to the Dillar. Also, since, We, the people of the world, are currently in a pickle, and the Dill is a name of a pickle, for humor's sake, the "Dillar" to replace the "Dollar" works too and would be the easiest transition. A fresh start for example would be this simple rule: everyone who had turned 18 years old, or does on their birthday, will receive D100,000 Dillars to start their new life and career. That would have the effect of distributing the wealth of the world evenly and fairly. They could choose to invest it in themselves via education, or into stocks in a new market, or into their own business, or assets such as their own house, etc. \$\$\$
